Northants

Reference : U-Bahn Licence Application Objection

Dear Licensing Authority,

I am writing to object to the licensing application for U-Bahn to sell alcohol or provide late night refreshment & regulated entertainment at Kettering Railway Station.

As a resident living close to the station I object to the planning application on the grounds of :

1. Noise
2. Traffic

I also believe Kettering offers enough late night entertainment venues and don't think we require another outlet close to a quiet residential, family area.

PTO.

Please advise if we can act further to ensure
this application is not successful.

Yours faithfully,

Mrs. Silvana Di. Micco
