

## BOROUGH OF KETTERING

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 1
<b>Report Originator</b>	Strategic Management Team	<i>Fwd Plan Ref No:</i> A15/030	
<b>Wards Affected</b>	All	9 <sup>th</sup> December 2015	
<b>Title</b>	<b>MAINTAINING A DURABLE BUDGET</b>		

**Portfolio Holder: Cllr Jan Smith**

### **1. PURPOSE OF REPORT**

This report provides the following:

- a. A case study on the Council's Community Fund;
- b. A reminder of the Council's medium term financial strategy and associated guiding principles;
- c. An illustration of the latest budget model, the delivery of efficiency savings for 2015/16 and the estimated level of budget savings that may be required over the next few years;
- d. An update following the Governments Autumn Statement and Spending Review Announcements.

### **2 CASE STUDY**

2.1 Members will recall that in previous budget reports we have identified case studies as examples of good practice. The previous examples related to the new arrangements for the following:

- ◆ Generic warden service
- ◆ Recycling pilots
- ◆ Kettering Borough Training
- ◆ Partnership work with the Citizens Advice Bureau.
- ◆ VAT recovery
- ◆ Prevent Strategy funding
- ◆ Flexible Working
- ◆ Printing Function
- ◆ Market
- ◆ Managing homelessness
- ◆ Staff Sessions
- ◆ Attracting External Funding to the Borough

# BOROUGH OF KETTERING

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 2
------------------	------------------	------------	--------

2.2 The case study in this report highlights the additional local investment as a result of the Council's Community Fund.

## Community Fund

The Council's Capital Programme in both 2014/15 and 2015/16 included a Community Fund scheme, whereby bids were invited from Town and Parish Councils, as well as formally constituted residents and community groups, for one-off capital based projects.

A total of 18 organisations were successful in attracting funding for Community Schemes in 2014/15 and the Council has recently awarded grants to a further 16 local community schemes across the borough for important local projects.

As a result the Council's investment will help unlock further investment of around £200,000 in local facilities from other organisations. This is summarised below:

	<b>2014/15 £'000</b>	<b>2015/16 £'000</b>	<b>Total £'000</b>
Community Fund	40	32	72
Other Investment	103	95	198
<b>Total Investment</b>	<b>143</b>	<b>127</b>	<b>270</b>

## BOROUGH OF KETTERING

Committee	<b>EXECUTIVE</b>	Item 11	Page 3
-----------	------------------	------------	--------

### 3. **BACKGROUND**

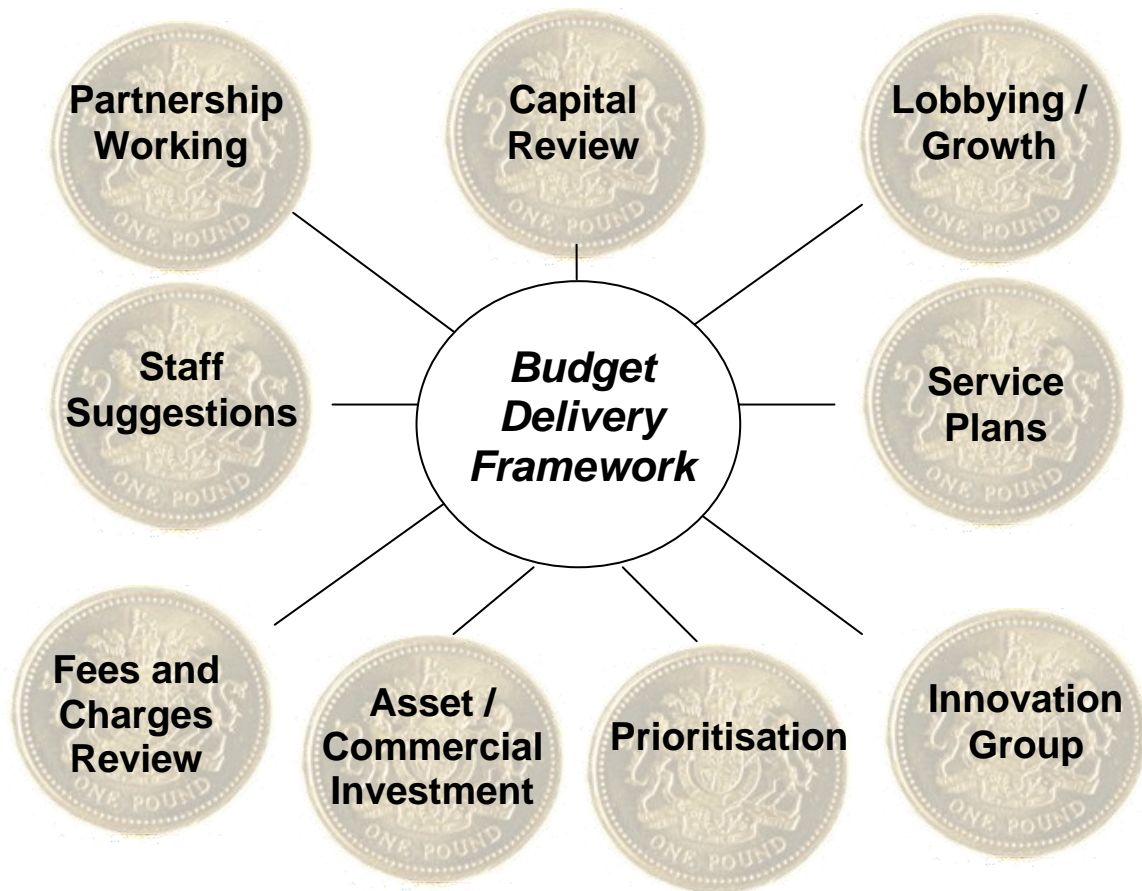

3.1 At the March Executive meeting Members approved that the budget delivery framework used in the five previous budget rounds be used for the preparation of the 2016/17 budgets. Specifically, members approved;

*“that the same methodology be applied to the formulation of the 2016/17 budget as it applied to the 2015/16 budget, with particular reliance on:-*

- the existing guiding principles*
- the existing modelling for recovery principles*
- the existing budget containment strategy*
- the existing eight workstreams”*

3.2 The opportunities for commercial investment were considered by the Executive at the March meeting and Members endorsed the adaption of our current financial strategy to embrace a systematic and measured approach towards developing a balanced portfolio of revenue generating assets. This approach is going to become increasingly important if the Council is to continue to deliver a balanced budget. The framework now consists of nine workstreams following the addition of the Asset / Commercial Investment Framework at the June Executive meeting – as illustrated in the following chart;

Committee	<b>EXECUTIVE</b>	Item 11	Page 4
-----------	------------------	------------	--------

3.3 The financial strategies key *'guiding principles'* supplemented by the *'Modelling for Recovery Principles'* the *'Budget Containment strategies'* and the prioritisation *'golden rules'* have provided a strong cornerstone for the Council's medium term financial strategy. For ease of reference, these are reproduced here:-

**Financial Strategy Guiding principles:**

- a. *Revenue balances should not fall below £1m and overall revenue reserves should not fall below 10% of net revenue expenditure;*
- b. *In setting the Council Tax, members should consider the medium term to ensure that a sustainable budgetary position is preserved (with due regard being given to any penalties that might apply);*
- c. *The level of household Council Tax to increase each year in line with inflation at least, where the budget is in deficit, to ensure resources remain consistent with budgeted costs;*
- d. *When setting the Capital Programme, consideration is given to allocating capital resources to schemes that are beneficial to the Council's overall revenue budget position;*

## BOROUGH OF KETTERING

Committee	<b>EXECUTIVE</b>	Item 11	Page 5
-----------	------------------	------------	--------

- e. *To maximise the resources available to the Authority, the Council will actively lobby the Government on relevant issues (e.g. grant distribution/ planning fees).*

### **Modelling for Recovery principles:**

- 1. Wherever possible, continue with all planned investments and programmes, to protect the local economy and lever in other investments;*
- 2. Given the strength of our Treasury position we should consider debt funding as a means of programme delivery or stimulus – if this can be shown to be sustainable and have a wider economic benefit;*
- 3. Organise our fiscal structures and business models to attract and retain the maximum amount of revenue within the local economy;*
- 4. To ensure all possible avenues are used within procurement rules to source locally;*
- 5. Protect the performance of Council services which come under particular strain;*
- 6. Work closely with partners in the voluntary, public and private sectors, to ensure optimum efficiency*

### **Budget Containment Strategy:**

- 1. Where a specific grant which funds a specific service is withdrawn, the service stops;*
- 2. Where grant funding reduces, which Kettering Borough Council passports through to another organisation, the reduced sum continues to be passported, providing the end recipient organisation feels it can still provide a value-added service at that funding point.*
- 3. Where a function is transferred to another provider, the Council leaves all service-provision discussions, including any top-up funding, with the new provider;*
- 4. The Council would ordinarily neither seek to buffer nor profit from tax changes.*
- 5. The Council should not substitute itself as a provider / funder of services when another public provider cuts such a service.*

## BOROUGH OF KETTERING

Committee	<b>EXECUTIVE</b>	Item 11	Page 6
-----------	------------------	------------	--------

### Prioritisation 'Golden Rules':

1. *Revenue Impact – The item should have a positive **material and causal** impact on the Council's revenue budget over the medium term. The impact should be material in nature.*
2. *Fit with Key Priorities - There should be a direct and causal impact upon the achievement of the Council key priorities of;*
  - *Better Town Centres*
  - *Better Jobs*
  - *Better Educational Offer*
3. *Risk and Return Profile - The item / project should fit the Council's risk and return appetite and also complement the overall portfolio of investment / assets.*
4. *Investment Leverage - The item / project should ideally act as either an 'invest to save' type project or one that 'pump primes' other significant investment into the borough.*
5. *Self Sufficiency - Given the continuing trend of reduction in central government grants, priority will be given to projects that assist in the Council moving further towards financial self-sufficiency.*
6. *Strategic Partnerships - The item should generally have a positive impact on the Council's strategic partnerships and the Council's long term strategic ambitions for the borough – eg, town centre development. In particular – items that support and help develop 'scope' rather than 'scale' will be prioritised.*

<b>8c</b>	Town Centre Initiatives	40	0	0	0	0	0
<b>9</b>	<b>Estimated Closing Balance</b>	<b>(1,505)</b>	<b>(1,505)</b>	<b>(1,505)</b>	<b>(1,505)</b>	<b>(1,505)</b>	<b>(1,505)</b>

The zone for the 2020/21 financial year is titled '**Severe Unpredictability**' as this is when the Business Rates Retention Scheme is set to change not least due to the expected reset. These changes are likely to impact on the funding received from Business Rates.

## BOROUGH OF KETTERING

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 8
------------------	------------------	------------	--------

### Notes to Medium Term Financial Forecast

**1 Net Council Budget** – This represents the net expenditure prior to the Budget Framework savings.

**2 Forecast Resources** – These are the Council's main funding streams (excluding fees and charges which are incorporated into Line 1). This illustrates the significant reduction in Central Government funding. To enable the total resources required to balance the budget to be identified, no assumptions have been made regarding future council tax increases. The small increase in revenue each year reflects anticipated housing growth in the borough.

The following assumptions have been made about future levels of government grant; these assumptions are a combination of the average percentage and cash reduction over the past five years, the figures in brackets show the annual percentage reduction in grant.

2016/17	Reduced by 6.50% plus a further £340,000 <b>(15%)</b>
2017/18	Reduced by 6.50% plus a further £340,000 <b>(17%)</b>
2018/19	Reduced by 6.50% plus a further £340,000 <b>(19%)</b>
2019/20	Reduced by 6.50% plus a further £340,000 <b>(21%)</b>
2020/21	Reduced by 6.50% plus a further £340,000 <b>(25%)</b>

**2a / 2b Revenue Support Grant / Business Rates** - Following the introduction of the Business Rates Retention Scheme the local share of business rates will be uplifted by RPI each year until the system is reset in 2020 this is shown in line 2b. The full reduction in grant is therefore applied to the element that is provided through the Revenue Support Grant, which is detailed in Line 2a.

**3 Budget (Surplus) / Deficit** – This illustrates the gap between the budget and the total resources available before identifying budget framework savings.

**5 Savings to be identified** – This identifies the total resources that are required to balance the budget in future years after 2015/16.

**8a Council Tax Grant 2014/15** - This is a grant the Council receives from central government for two years in return for freezing Council Tax in 2014/15.

**8b Council Tax Grant 2015/16** - This is a grant the Council receives from central government for one year in return for freezing Council Tax in 2015/16. A Council Tax Freeze has ongoing implications as an increase in Council Tax generates income year on year.

## BOROUGH OF KETTERING

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 9
------------------	------------------	------------	--------

**8c** *Town Centre Initiatives – This relates to parking incentives and / or other town centre related items. Due to the short term nature this is being funded from the General Fund working balance rather than forming part of the base budget.*

4.2 Based upon the figures in the Council’s Medium Term Financial Strategy (Table 1) it can be seen that the following levels of ongoing savings are predicted over the new few years (prior to the consideration of any increase in council tax);

<b>2016/17</b>	<b>£1,464,000</b>
<b>2017/18</b>	<b>£1,170,000</b>
<b>2018/19</b>	<b>£1,168,000</b>
<b>2019/20</b>	<b>£1,134,000</b>
<b>2020/21</b>	<b><u>£1,124,000</u></b>
<b>Total</b>	<b><u>£6,060,000</u></b>

### GENERAL FUND 2015/16

4.3 As reported to the Council in the February 2015 budget report, The Council’s budget delivery framework will need to deliver £1,579,000 of savings in 2015/16 to maintain a balanced budget. The savings have been identified in full and are in the process of being delivered. As previously reported to members, the Council remains confident that it can deliver the identified savings for 2015/16 – these are summarised in Chart 1:

**Chart 1 - Identified Framework Savings for next Year (2015/16)**

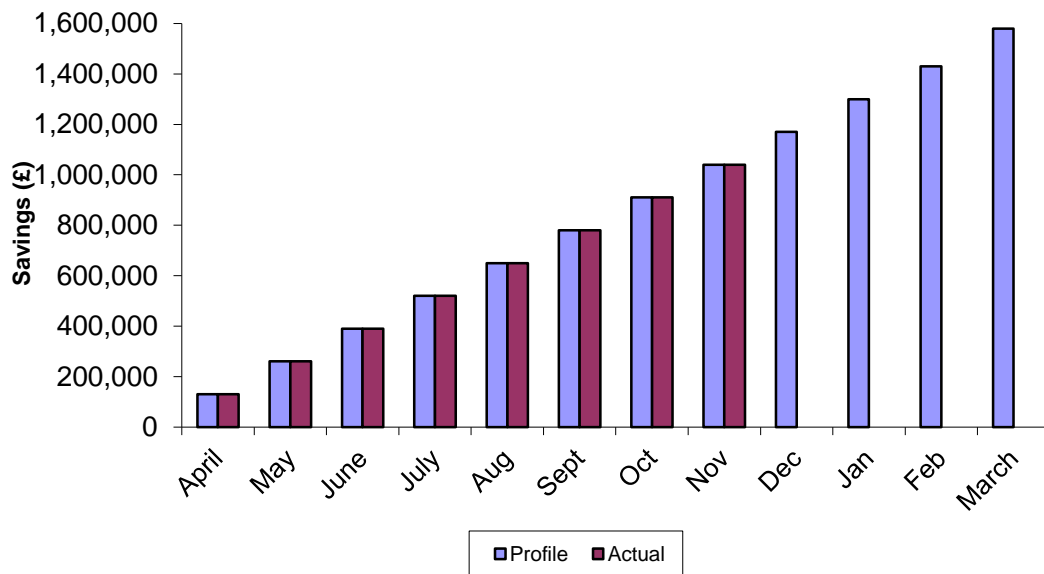

## BOROUGH OF KETTERING

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 10
------------------	------------------	------------	------------

- 4.4 By reference to Table 1, it can be seen from line 3 that the Council has identified ongoing budget savings of £1.579m
- 4.5 Chart 2 shows the actual realisation of the 'cash' savings against the target for the year. It can be seen that as well as the £1.579m having now been identified and embedded into the budget it is also on schedule in terms of its cash delivery throughout the year.

**Chart 2 - 2015/16 Savings Monitoring - Cash Realised**

- 4.6 During the budget process, members were informed of a number of 'big ticket' items. These are typically items of large value that could have a disproportionate impact on the Council's budget if they moved in an adverse fashion. Consequently these are monitored very closely and members and officers may occasionally try to influence (through lobbying) any changes that may take place especially when such changes are triggered through changes in national policy.
- 4.7 There are a number of significant changes to the original swing-o-meter, these changes have been reflected in the revised version included at Appendix A – in particular the following:

## BOROUGH OF KETTERING

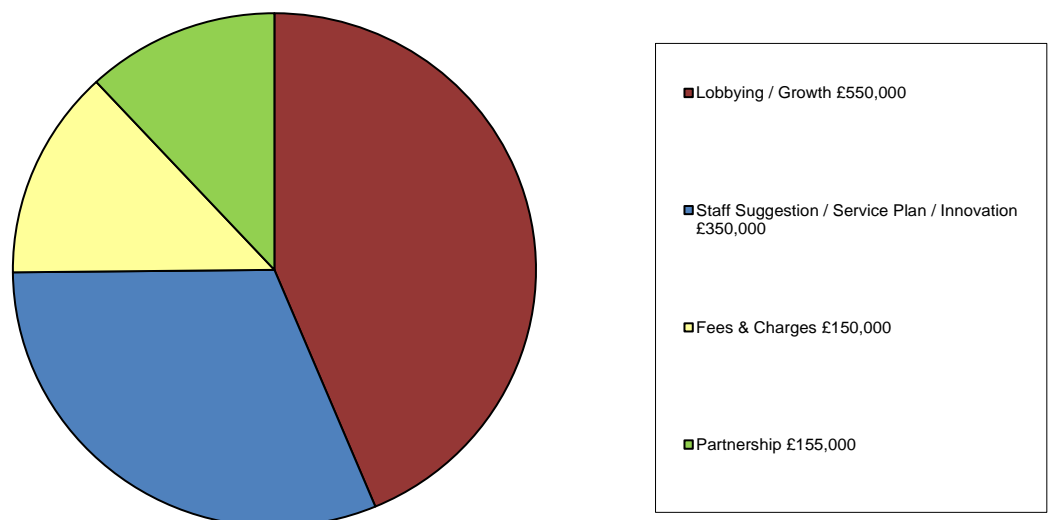

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 11
------------------	------------------	------------	------------

	<b>Original Range</b>	<b>Projected Range</b>	<b>Reason</b>
Planning Fees	- £200,000 to + £200,000	+ £200,000 to + £300,000	An increase in the volume of planning applications and a number of major applications being received.
Recycling Commodities	- £200,000 to + £100,000	-£300,000 to -£200,000	A reduction in income for recycling commodities resulting from a general fall in national and global prices.

### GENERAL FUND – 2016/17

- 4.8 As well as monitoring framework savings identified for 2015/16 work continues on identifying savings for the following year – 2016/17. Members are reminded of the current Medium Term Financial Forecast which required an additional £1,464,000 of savings to balance the budget in 2016/17.
- 4.9 Savings of £1,050,000 have previously been reported to the November Executive and a further £250,000 of additional ongoing savings have now been resilience checked and included in the model, therefore the identified savings total £1,300,000. Work continues in analysing and resilience checking the remaining amount. Chart 3 illustrates the composition of the £1,300,000

**Chart 3 - Identified Framework Savings for next Year (2016/17)**

## BOROUGH OF KETTERING

Committee	<b>EXECUTIVE</b>	Item 11	Page 12
-----------	------------------	------------	------------

4.10 The Council's impressive record in identifying and delivering efficiency savings over the past six years, (including the current year - 2015/16), are around **£8.360m** - as illustrated in Table 2;

<b>Table 2 – Efficiency Savings</b>	<b>£000</b>
2010/11	1,260
2011/12	1,910
2012/13	1,330
2013/14	950
2014/15	1,330
<b>Total</b>	<b>6,780</b>
2015/16	1,580
<b>Total</b>	<b>8,360</b>
<b>% Cash Savings (Net Budget)</b>	<b>82%</b>

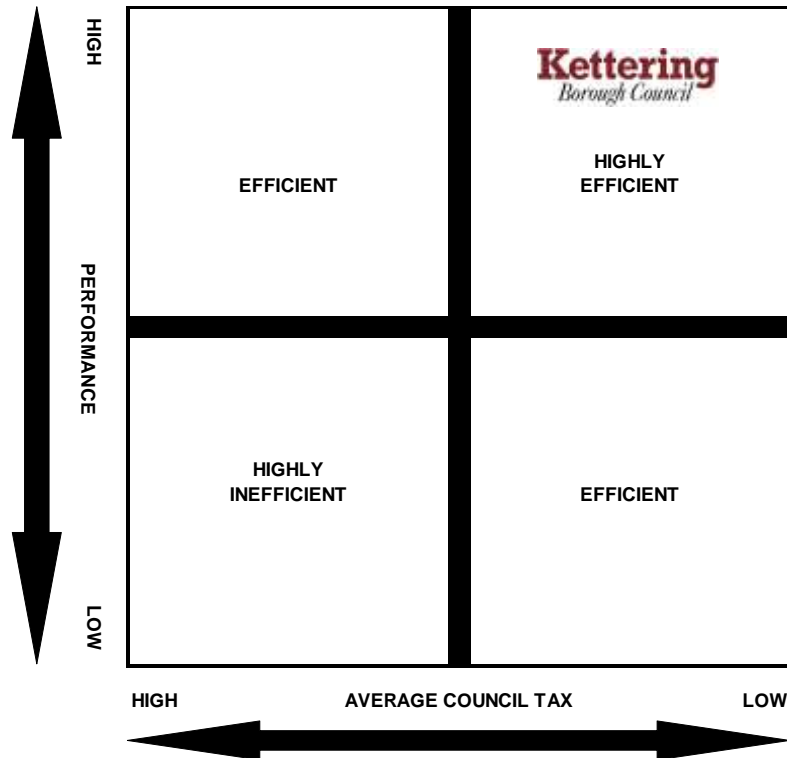

4.11 The scale and delivery of this level of **efficiency savings is particularly impressive given that there has been no detrimental impact on the delivery of front line services** and when considering the increased costs of utilities and inflation levels. Over the six year period (as detailed in Table 2) the efficiency savings are equivalent to approximately **82%** of the Council's net budget (which stands at £10.1m for 2015/16).

4.12 Members are reminded that **before the efficiency programme** commenced a number of years ago, the Council was charging a level of **Council tax below the national average yet delivering a level of performance that was above the national average.** Despite having to deliver efficiency savings of £8.360m in the past six years, the Council's level of council tax charged remains below the national average and performance remains above average.

4.13 Members will recall the following illustration that summarises the Council's overall position as being a 'high performing / low cost' local authority.

## BOROUGH OF KETTERING

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 13
------------------	------------------	------------	------------

- 4.14 The above position was achieved before the Council decided to have no increase in Council Tax in 2011/12 (and before any aspirations for subsequent Council Tax freezes). Members are reminded that despite having no increase in Council Tax in 2011/12 and despite having to deliver the level of efficiency savings (as outlined in Table 2), the Council's performance in key priority areas remains 'above average'. Given this context, to maintain the Council's position as a high performing whilst being a low cost local authority has been a significant achievement and has not happened by accident.
- 4.15 As clearly outlined in previous budget reports considered by the Executive and Full Council, the best estimates of the ongoing savings targets going forward are at least of a similar scale to those already met, the following chart shows:
- Savings of £6.780m have been identified and delivered between 2010/11 – 2014/15;
  - Savings of £1.580m have been identified but need to be delivered in 2015/16;
  - Savings of around £6m need to be identified and delivered over the next five years (2016/17 – 2020/21).

## BOROUGH OF KETTERING

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 14
------------------	------------------	------------	------------

### Efficiency Savings

### HOUSING REVENUE ACCOUNT 2015/16 – CURRENT FINANCIAL YEAR

4.16 A summary of HRA monitoring at 31<sup>st</sup> October is shown in Table 3. The Housing Revenue Account is currently projected to come in around £70,000 less than budget. The main variance relates to income being around £40,000 greater than budget, this results from the number of Right to Buy sales being lower than budgeted and improved void times.

<b>Table 3 - HRA</b>	Current Budget	Projected Outturn	Variance
	£'000	£'000	£'000
Gross Expenditure	15,954	15,912	(42)
Gross Income	(15,954)	(15,984)	(30)
<b>Net Expenditure</b>	<b>0</b>	<b>(72)</b>	<b>(72)</b>

### CAPITAL 2015/16 – CURRENT FINANCIAL YEAR

4.17 A summary of the projected Capital Programme outturn monitoring statement as at 31<sup>st</sup> October 2015 is shown in Table 4.

## BOROUGH OF KETTERING

<b>Committee</b>	<b>EXECUTIVE</b>	Item 11	Page 15
------------------	------------------	------------	------------

Table 4 - Capital	Current Budget	Projected Outturn	Variance
	£'000	£'000	£'000
<b>Expenditure</b>			
HRA Schemes	4,537	4,527	10
General Fund Schemes	3,411	3,011	400
	7,948	7,538	410
<b>Financing</b>			
Government Grants	621	611	10
Prudential Borrowing	2,618	2,218	400
Revenue Contribution	3,912	3,912	0
Capital Receipts	797	797	0
	7,948	7,538	410
<b>Net Expenditure</b>	0	0	0

- 4.18 The capital programme is projected to come in around £410,000 lower than budget. The main variance of £400,000 relates to the Fleet Maintenance Facility scheme which will be delivered during 2016/17.
- 4.19 Members will recall that at November's Executive they received a report on the proposed use of 1 4 1 capital receipts. Table 3 does not currently reflect the revised figures as a separate report will be taken to Council as the budget requires Council approval, subject to this being approved revised figures will be reflected in future durable budget reports.

### **5 AUTUMN STATEMENT & SPENDING REVIEW**

- 5.1 The Chancellor of Exchequer announced details of the Government's Autumn Statement and Spending Review on 25<sup>th</sup> November. The Government had previously indicated that the Local Government Sector would see reductions in grant of around 40% over the four year period 2016/17 – 2019/20. There is little in these statements to say how any reductions will be split across the tiers of Local Government.
- 5.2 The Local Government Finance Settlement is expected during December, whilst it is not clear how any reductions will be split across Local Government, if the trend of previous settlements continues it would not be surprising if District Councils fared worse than other tiers of Local Government.
- 5.3 The headline announcements impacting on local government are as follows:

#### **Government Grants / Business Rates**

As previously reported to members, the Government's intention to cease central government grants (and replace with allowing '100%' Business Rate Retention) from 2020 was confirmed in today's statement.

## BOROUGH OF KETTERING

Committee	<b>EXECUTIVE</b>	Item 11	Page 16
-----------	------------------	------------	------------

### **New Homes Bonus**

- 5.4 The Government will be consulting on possible changes to the way the New Homes Bonus system operates. It is likely that this consultation will be through the Local Government Finance Settlement. Early indications around the consultation are that the Government are looking to transfer £800m in 2017/18 from New Homes Bonus to Social Care – clearly this could have significant implications for District Councils, it is not possible to quantify the impact of the announcements.
- 5.5 The Government have announced that they will consider moving from 6 years of payment to 4 this implies a one third reduction. However, the numbers quoted of £800m imply a greater reduction. A consultation paper is to be issued – there is a reasonable expectation that there will be damping / transitional arrangements, but until we see the detail of the consultation papers it is not clear on how these transitional arrangements or indeed what, if any, arrangements are proposed.
- 5.6 It is important that a consultation is undertaken with appropriate timescales to ensure full consideration is given to the financial impact and consequences that could arise by reducing the current incentives. The scale of reductions could be significant and depending on what and if there are transitional arrangements, such proposals could result in those that have achieved the highest growth losing the most. This will make it increasingly difficult for Councils to uphold the commitments they gave to communities who accepted growth – and thus the communities' appetite to accept growth in the future
- 5.7 This is an area that we will need to keep a close eye on over the coming weeks and look to work closely with Central Government.
- 5.8 The Council revised its grant assumptions as part of the 2015/16 budget process and the projected levels of future government grant are a combination of the average percentage and cash reduction over the past five years, The annual reductions in grant currently being modelled in the Council's Medium Term Financial Strategy are as follows:
- 2016/17 - £599,000 (15%)*  
*2017/18 - £560,000 (17%)*  
*2018/19 - £523,000 (19%)*  
*2019/20 - £489,000 (21%)*  
*2020/21 - £458,000 (25%)*
- 5.9 These assumptions will be reviewed following the Local Government Financial Settlement and during the Council's formal budget consultation process.
- 5.10 The LGA as in previous years have produced a briefing regarding the Budget Announcement this is attached at Appendix B. Although the Council may not endorse all of the comments in the LGA briefing, it is nevertheless a useful reference document.

## BOROUGH OF KETTERING

Committee	<b>EXECUTIVE</b>	Item 11	Page 17
-----------	------------------	------------	------------

### **6 CONSULTATION AND CUSTOMER IMPACT**

- 6.1 None as a direct consequence of this report. However members are reminded that the formal budget consultation period is from 13<sup>th</sup> January 2016 to 24<sup>th</sup> February 2016 when the Council sets its Council Tax for 2016/17. Comments from the consultation process will be reported to the Executive for consideration at its meeting on 17<sup>th</sup> February 2016.

### **7 POLICY IMPLICATIONS**

- 7.1 None as a direct consequence of this report.

### **8 USE OF RESOURCES**

- 8.1 As detailed throughout this report.

### **9. RECOMMENDATIONS**

That the Executive Committee;

- a. Note the additional local investment, resulting from the Council's Community Fund
- b. Note the Council's Medium Term Financial Strategy and associated guiding principles;
- c. Note the key updates made in the Autumn Statement and the Spending Review and the uncertainty this brings to the Council's Medium Term Financial Strategy – especially in relation to potential changes to the local government grant system and New Homes Bonus.
