Title	FLY-TIPPING		

1. PURPOSE OF REPORT

To update the Forum on fly-tipping incidents in Kettering Borough.

2. INFORMATION

2.1 195 incidents of fly-tipping by waste category were recorded by Kettering Borough Council during the period from 1st October 2015 to 21st January 2016 as follows:-

Black bag – commercial	12
Black bag – household	12
Chemical – drums: oil or fuel	2
Commercial/demolition/excavation	18
Furniture	59
Green	11
Mattress	19
Other commercial waste	13
Other household waste	18
Tyres	14
Vehicle parts	1
White goods	16

2.2 There were no incidents recorded for the following waste categories:-

Animal carcass
Asbestos
Clinical
Electrical
Unidentified

2.3 All incidents of fly-tipping reported to Kettering Borough Council during this period were cleared within five working days. An exception to this timescale may occur if a large amount of waste is fly-tipped, in which case more time may be needed to search for evidence which could lead to a prosecution. Additionally, in some circumstances, it may be necessary to appoint a contractor to dispose of the waste if it contains noxious material such as asbestos.
