Initial Scrutiny Report from Tenants Overview and Scrutiny Panel 'Resident Involvement and Communication'

This report provides an introduction to the TOSP Scrutiny and the agenda item is for approval / decision.

INTRODUCTION

The TOSP sought direction from the Tenants Forum in July 2016 on the next area of Scrutiny.

The Forum agreed that Resident Involvement and Communication was a priority area to scrutinise, taking into account the report prepared by the Scrutiny Panel and also the summary report of the Council's STAR Survey.

REPORT

The TOSP have now prepared their Terms of Reference for the Scrutiny Process and seek permission from the Panel to commence.

The Terms of Reference will be presented, in summary, to the Forum and the full Terms will be available, upon request, following the meeting.

A draft work plan will also be presented to the Forum.

NEXT STEPS

The TOSP will provide regular progress updates to the Tenants Forum.
