To Whom This May Concern,

I am writing to voice my concerns and challenge the premises license at Prime Time Property Limited, T/A Emporio Night Club.

My concerns I want to raise are:

The opening and closing times of the premises that conclude of 7 days a week, I feel like this is going to affect all the residents in the area, myself and my partner are concerned due to us recently having a baby at home, our home is only 100 feet from the premises. I feel this will cause disruptions due to the loud and live music. There is also the issue of people under the influence of alcohol potentially causing issues around the venue which will affect us, for example loud shouting, talking and potentially fights and policing issues. I'm due to go back to work myself in a few months from maternity leave and this is going to disrupt me and my son getting up daily, not to mention my partner working 6 days a week.

I appreciate your time regarding this and I hope you consider my issues raised regarding this application, I just don't think it will be a good idea to have a nightclub/late bar in the area, especially opened so often, and in a close proximity of many residents, not to mention the new flats that are due to be build soon as well.

Yours Sincerely
