Premises licence application for Emporio Lounge and Nightcl...

To whom it may concern,

I am writing to express my concern regarding the above licence application which I believe will affect me and the other residents in the area. Whilst the address for the Royal Hotel is given as Market Place, Kettering, the entrance and exits to the lounge and club at the Royal Hotel are sited at the top of West Street and Hazelwood Lane which are very much residential areas - West Street consisting of a terrace of 12 houses (with planning permission granted for another 10) and Hazelwood Lane having two cottages plus the significant number of flats in Hazelwood Court in close proximity to the lounge and club.

I am keen to mention that I am very pleased to see investment being made in the Royal Hotel and wish the new owners every luck with their venture as the building has been in a sorry state for some time now. However, I do not feel that a licence for music and the sale of alcohol post-midnight during the week or beyond 2am at weekends should be granted with this many residents nearby to be affected by the noise, increased traffic and potential for antisocial behaviour that such a late licence may be likely to bring.

In my opinion, West Street is a very special part of Kettering which, despite its proximity to the town centre, is very quiet. I believe that this peaceful and historic setting is why so many of the residents have been here for so long. I do hope that a compromise can be reached and a more appropriate licence granted which will not impact the existing residents so greatly but still allow the hotel owners to operate a successful business.

Yours,
