<b>Title</b>	<b>LOCAL DEVELOPMENT SCHEME</b>		

### **1. PURPOSE OF REPORT**

To agree an update to the Council's Local Development Scheme; and to recommend that the Scheme is submitted to Full Council for adoption.

### **2. INFORMATION**

- 2.1 A Local Development Scheme (LDS) is a project plan setting out the timetable for the preparation of documents that make up the Council's contribution towards the North Northamptonshire Development Plan. The Development Plan for Kettering Borough is made up of the North Northamptonshire Joint Core Strategy (adopted July 2016); saved policies from the Local Plan for Kettering Borough (adopted January 1995); the Kettering Town Centre Area Action Plan (adopted July 2011); the Minerals and Waste Local Plan Update (adopted July 2017); and once adopted, will include the emerging Site Specific Part 2 Local Plan. Neighbourhood Plans, prepared by local Neighbourhood Groups, will also be included within the Development Plan.
- 2.2 The Joint Core Strategy is the strategic Part 1 Local Plan for North Northamptonshire, providing the big picture for development across the wider area. The Part 2 Local Plan will be prepared by Kettering Borough, and will provide locally specific policies and make further land allocations to complement those agreed through the Joint Core Strategy.
- 2.3 Section 15(1) of the 2004 Planning and Compulsory Purchase Act requires that the "local planning authority must prepare and maintain a scheme to be known as their local development scheme". Legislation simply requires that the LDS is brought into effect and published by the local planning authority. To achieve this two actions need to be carried out:
- i. the Council should resolve that the LDS is to have effect; and
  - ii. it should specify the date from which the LDS is to have effect.
- 2.4 The Council's constitution requires that the Planning Policy Committee consider and recommend to Full Council for approval the Plans and alterations which together comprise the Development Plan. It is the responsibility of Full Council to approve the Plans and alterations which together comprise the Local

Development Framework. This report will set out the Kettering Borough Council's draft LDS, with a recommendation that it be agreed and presented to Full Council for adoption. In the meantime, it is proposed that the draft LDS programme as attached is published on the Council's website.

## **Local Development Scheme**

- 2.5 The purpose of the LDS is to provide a timetable against which the documents making up the Council's Development Plan can be viewed, allowing any parties interested in taking part in the preparation of the Plan to be notified of the programme and to be involved in its development.
- 2.6 The LDS was last adopted on 1<sup>st</sup> March 2017. It is considered important to ensure the Council is complying with the necessary tests, by agreeing and publishing a revised LDS for public consumption.
- 2.7 The next meeting of Full Council is scheduled for 25<sup>th</sup> April 2018. The revised LDS is planned to be adopted ahead of publishing the Draft Site Specific Part 2 Local Plan for consultation. The programme for producing this document is as follows:
- Draft Plan for publication – June/July 2018
  - Pre-Submission Plan for consultation – October-December 2018
  - Submission to Secretary of State – March 2019
  - Examination – June 2019
  - Receipt of Inspector's Report – September 2019
  - Adoption – December 2019
- 2.8 The LDS also includes additional plan-making documents, those being Proposals Map, the Rothwell and Desborough Urban Extension Area Action Plan (AAP), the Gypsy and Traveller Site Allocation Policy, and a review of the Kettering Town Centre Area Action Plan.
- 2.9 The Rothwell and Desborough AAP is currently on hold, its Submission to the Secretary of State having been delayed in 2010. Planning applications for both preferred sites have been submitted, the urban extension at Desborough was subsequently granted outline planning permission in April 2014; the Rothwell North Sustainable Urban Extension is now embedded in policy within the adopted Joint Core Strategy. There are however a number of policy principles/proposals outside of these application boundaries considered worth retaining, and potentially incorporating within the Site Specific Part 2 Local Plan. It is therefore proposed to keep these documents within the LDS, until these principles are either picked up or dropped, at the Submission stage in preparing the Part 2 Local Plan.
- 2.10 The Gypsy and Traveller Site Allocation Policy has been removed from the Part 2 Local Plan, to be prepared as a standalone Development Plan Document.

2.11 In addition, once the Site Specific Part 2 Local Plan has been adopted, it is proposed to review the Kettering Town Centre Area Action Plan. This should be towards the end of 2019, at which point resources can be directed towards the review, and a clearer evidence base is likely to be available, in part through on-going work in developing a Kettering Town Centre Delivery Plan.

2.12 A draft copy of the LDS is provided at Appendix 1. Following any comments and subsequent amendments agreed by this committee, the document should be amended and forwarded to Full Council for adoption, with the recommendation that Full Council resolve that the Local Development Scheme is to have effect from 25<sup>th</sup> April 2018.

### **3. CONSULTATION AND CUSTOMER IMPACT**

3.1 No consultation is necessary in agreeing an LDS.

### **4. POLICY IMPLICATIONS**

4.1 The LDS is required under Section 15(1) of the Planning and Compulsory Purchase Act 2004. Formulating the timetables within the LDS, keeping them up-to-date, and making it publically available on the Council's website will ensure that the Council complies with the necessary tests in preparing a Local Plan for Examination.

### **5. USE OF RESOURCES**

5.1 There are no resource implications as a result of this report.

### **6. RECOMMENDATION**

That Members agree the draft LDS as discussed at paragraph 2.7 to 2.11; and recommend to Full Council that the revised LDS be adopted.
