

OPTION 4	A 16 member Council with 5 large wards based mainly on the existing County Council electoral division arrangements with 11 more members than the existing NCC arrangements.								APPENDIX A	
Ward	Electorate 2019	No of members	Average electors per member	plus or minus 10% of 2467	Projected Electorate 2024	No of members	Average electors per member	plus or minus 10% of 2717	Arguments in favour	Arguments against
Clover Hill	8882	4	2221	-9.97%	9120	4	2280	-16.08%	Identifiable areas geographically with larger number of members per area.	One area (Clover Hill) has an over-representation, but if some of the polling districts in Clover Hill that are geographically adjacent to Northhall are moved to that ward then this could be addressed. Unfamiliar areas to some members and electors
Ise & Barton Ward No. 3 PD	6353	3	2118	-14.15%	8878	3	2959	8.91%		
Northhall	10042	4	2511	1.78%	11160	4	2790	2.69%		
Wicksteed	5600	2	2800	13.50%	5720	2	2860	5.26%		
Windmill	8600	3	2867	16.21%	8600	3	2867	5.52%		
Totals/Average	39477	16	2467		43478	16	2717			

NB: If Barton Ward No.3 Polling District is included in the Parish of Barton Seagrave and not in the Parish of Kettering, then this would decrease the average number of electors per member across the board and the plus or minus 10% ratio in each case.
