LICENSING

Dear Sir/Madam

## Application under Licensing Act 2003

<b>Premises Address Application Details</b>	<b>Flaming Grill, 64 Stamford Road, Kettering Premises licence To extend opening hours Fri – Sat from 12:00 – 01:00 Thu – Sun from 12:00 – 23:00</b>
---	--

The premises benefits from planning permission KET/2002/0965. This states:

*Certificate of lawfulness for an existing use for restaurant to open from 08 .30 to 12 .00 midnight daily .*

The licence application seeks to extend the opening hours. Opening the premises to the public outside of the permitted hours will result in a breach of planning control. The applicant would therefore need to apply for planning permission if they wished to open the premises to members of the public during the hours proposed in the licence application. This application would need to be made prior to the use commencing.

Apart from the above, I have no objections.

If you require any further information, please do not hesitate to email [planning@kettering.gov.uk](mailto:planning@kettering.gov.uk)

Yours faithfully

Development Services

**Cc:** Licensing Unit  
**Subject:** Premises Licence Application, 64 Stamford Road, Kettering.

Dear Mr Howell,

I act on behalf of the Chief Officer of Police Mr Adderley, he has delegated responsibility and authorised me to act on his behalf with regard to representations made by Northamptonshire Police to Licensing Authorities across the county of Northamptonshire.

I am objecting to the grant of the above Premises Licence application the Licensing Objectives of the Prevention of Crime and Disorder and the Protection of Children from Harm specifically.

The operating schedule is too vague to properly assess whether the Licensing Objectives will be promoted, I have E-mailed the applicant to offer a more defined a robust wording of the operating schedule in relation to CCTV and the prevention of underage sales on the 29/10/2019.

The applicant responded on the 30/10/2019 stating he would install CCTV and let Northamptonshire Police know when it was completed, this has raised concerns in respect of this application, primarily that what has been put forward on the operating schedule it would appear is not already in place. I have attempted to clarify with the applicant on the 30/10/2019 whether there is CCTV or not but have not had a response as of the 31/10/2019.

I submit for your consideration

Kind Regards

Police Constable 113 David Bryan
