Dear Sir

**GRITTING OF FOOTWAYS**

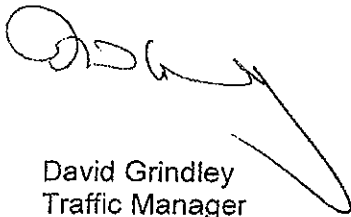

As a result of some confusion over the gritting of the footways last winter, and the need to strive for great efficiency in order to be cost effective, the provision of this service has been reviewed.

Resulting from this review the County Council intends to directly manage this service across the county, including the core area of Kettering, in order to provide a co-ordinated approach. This will mean that the gritting of the footways will be carried out by the County Council's highway service provider MGWSP.

I wish to thank you for the works your authority carried out concerning footway gritting in the past.

If you have any queries please do not hesitate to contact me.

Yours sincerely

David Grindley
