Objection Notice – S. 104 (2) Licensing Act 2003.

A Temporary Event Notice in respect of Bostons Diner, 16, Montagu Street, Kettering, covering the period of 20th and 21st of February 2010 was received by this office, today, Monday 08th February.

I must raise a formal objection in respect of this notification, as I feel the request to extend the hours of the premises in this way would undermine the 'Crime Prevention' Licensing Objective.

A recent initiative carried out by police 'Nightsafe' officers which aimed to ensure that late night refreshment houses ceased to trade and subsequently close their doors at the correct time saw a drop in the number of intoxicated persons in the town centre at a time where incidents of crime and disorder are likely to occur. Should the need for a panel hearing arise in respect of this matter, I will of course provide more detailed evidence in support of our objection.

p.p. Kevin Murphy
