Dear Sir/Madam

I am writing to inform you of my objection to the recent Alcohol license application from Euro Foods shop located on Rockingham road next door to the Azzuri restaurant in kettering .

I feel if this license was granted it would have serious consequences to my business and make the area unsafe for my staff .

Le there would be people under the influence of alcohol in and out of the premises and hanging around outside which is where our company vehicles are parked we already have problems with drunk people who walk passed after being in town and cause damage to our vehicles and I feel granting a late license to the shop would only make the problem worse , also my staff who often have to leave the office very late at night or early hours of the morning would feel very intimidated and unsafe to walk to their car if there is people hanging around the shop at all hours like they do at other shops with late licenses .

I hope you can seriously consider this when making your decision.

Yours faithfully

Mr Sham Lal Nangla

Dear Sir /Mam,
I have 3 children who are all drug and alcohol addicts. I have seen

.....
another sign for an off licence going up on Rockingham Road (Euro food shop) which I find a disgrace.

Please don't allow any more alcohol selling on this vicinity.

Regards

Resident of Rockingham Road

you can reply to my Email many thank

Any representation must also refer to matters covered by the licensing objectives being prevention of crime and disorder, public safety, public nuisance and protection of children from harm which are within the control of the licence holder. Your representation does not currently raise these concerns.
