Dear Ms Lyons

## **Application for Dispensation in respect of Members of Grafton Underwood Parish Council**

Following the recent changes in the Council there are now 3 of the 5 Councillors who are tenants of Boughton Estates.

Bill Hiscock, Chairman  
Paul Harris and  
Penny Sneddon.

I am writing to ask for Dispensation in relation to discussion and decision-making in respect of matters concerning the Estate.

I should be grateful for any copies of current information you may have on Declaration of Interests at such times, so that all Councillors may be fully aware of the position.

With best wishes

Marian Sexton  
Clerk to the Grafton Underwood Parish Council
