Whiteford Drive

- Impressive design
- Good interior layout
- Off road parking
- Good family homes
- We can learn a lot from this project

Top Dysons

- Overall impressive project
- Exciting interior
- Excellent eco features
- Quality finishing
- Fantastic Gardens
- Great opportunities for the new tenants

Furnace Lane

- Well put together project
- Good eco features
- Unusual layout
- Good external safety features
- Family orientated area (except the back gardens)

In conclusion

- If I had the opportunity to move in to one of these projects my first choice would be Top Dysons
- For me, I don't think I would be happy living in a very modern house although I would embrace the eco features
