Operating Schedule

General:

Generally the business is a service which I want to provide for the public. I will assist in making the community a safer and better place

Carry on and abide by our no sale to under 21's

Crime and Disorder:

By increasing security levels within the property & if necessary request an ASBO to reduce large numbers of people congregating outside the premises. I also currently liaise with Central club security for extra security & protection.

Carry on and record CCTV of the premises internally and externally. Keep all CCTV footage for 31 days and make readily available to Police.

I liaise with the night time enforcement officer - Paul Baker - to keep me up to date with ongoing issues.

Public Safety:

CCTV of premises internally + CCTV of area outside premises
Part of Kettering crime prevention, Radio Link Newland Centre security, use of town CCTV system

As above and also keep using the town centre radio network linked to CCTV control room (Newland Centre).

Public liability/employee liability insurance.

Protection of Children from Harm:

Children should not be in the streets at that time of night however if they are I will do whatever I can to help

To liaise with CSO Officers and education authorities from the nearby William Knibb Centre.

Alcohol will not be sold to any person under the age of 18.

Think 21 scheme will be operated. If a person seeking alcohol looks under 21 then they will be asked to produce PASS accredited proof of their age. If this cannot be produced the sale will be refused and a record made in a refusals register.

Regular staff training will be carried out to ensure staff are aware of the legislation covering age restricted sales.

Relevant posters provided by the Trading Standards Service will be displayed in the premises.

Public Nuisance:

As previously mentioned I will take all the above precautions to reduce public nuisance as well as my own initiative. i.e if members of public are drunk I will refuse sale of alcohol

By not selling alcohol to persons over the age of 18 who may supply to minors.

Children should not be in the streets at that time of night, however, if they are I will do whatever I can to help
